Dear Gordon,

After reviewing the *Interim Progress Program Report* submitted by The City College of New York School of Architecture, Urban Design and Landscape Architecture, the National Architectural Accrediting Board (NAAB) has concluded that the IPR is accepted as having demonstrated satisfactory progress toward addressing deficiencies identified in the most recent Visiting Team Report. No further reporting is required until the Architecture Program Report (APR) is due for your next NAAB visit.

The term of accreditation stands. The next visit will be in 2017. The program is required to continue submitting an Annual Statistical Report through the ARS.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
